Chapter Happenings

- The **Greater Chicago Chapter** is hosting its annual Gold Sponsor Soiree, a summer networking event with its Gold Business Partner Sponsors, on July 15. That same day, their bi-monthly educational presentation will

be Using Progressive Discipline for Positive Employee Relations.

- The regular membership meeting of the **Greater Cincinnati Chapter** in June included a visit by a representative of the Cincinnati Zoo. He brought two animals with him: a snake and a barn owl. It was a perfect discussion topic for summertime, as everyone could relate well to what it is like working at the zoo! It was a very lively meeting, and the Chapter learned a lot about the Cincinnati Zoo, which is the second oldest zoo in the United States. No one was bitten and fun was had by all.
 - The **Columbus Chapter** held a SPECTACULAR Member/Business Partner Signature Event at Huntington Park on June 19! The venue, food and people were awesome and everyone had a lot of fun. The Chapter loved taking this opportunity to thank business partners for their sponsorship and continued support of the Columbus Chapter ALA. President Sara Leech also arranged for attendees to sign a framed poster thanking Immediate Past President Janie Jude-Askew for her fabulous leadership. The Columbus Chapter ROCKS!
 - The **Gateway Chapter's** June education topic was *Making the Business Case for Diversity*. It was attended by members, several business partners, and several members of the Recruiters Association of St. Louis. Go strategic alliance! The Chapter is offering "A Summer Reel Deal" to its members - a complimentary educational session each month in partnership with other strategic alliance partners. Topics are: *Making the Business Case for Diversity* (with the Diversity Awareness Partnership), *"The Bill & Phil Show" - Mobile, Agile & Hostile: Technology Tips and Gadgets for the Legal Industry* (with ILTA), and *Beyond Solutions: Win With Wisdom Selling* (Legal Marketing Association).

- The **Minnesota Chapter** is hosting its annual Business Partner Summer Social to be held at Vic's in historic St Anthony on July 23rd.
- The **Indiana Chapter** recently held a meeting on Cyber Security and enjoyed a networking event with their Business Partners at an Indianapolis Indians Game at Victory Field on June 17.
- On June 26, the **Cleveland Chapter** hosted a rooftop cocktails and connections event with their Business Partners.
